Hi Erin,
Les asked me to get back to you about setting up a meeting. I'm sorry we didn't get back to you sooner. This has been a very busy week. Next week does not appear to be good either unless we do not include Mark in the meeting since he is on vacation from Tues to Friday. The first time we all three have availability is Monday, March 5 from 1-2 or 3-4. The afternoon of Tuesday, March 6 is currently open as well. After that, we are into the next week. Please let me know if either of those dates work for you (with Tuesday looking like the better option) and I will set up a meeting.

Thanks,
Diane

Hi Les,

It was nice to talk with you last week after the BDCP IMT meeting. Thanks for suggesting that we meet this week to talk more about EPA and State Board coordination on BDCP. I cc'd Diane and Mark on this so they can check their availability and potentially join us.

I have the following blocks of time open this week:

Wednesday 2/22 any time between 10:30 AM and 2:00 PM.
Thursday 2/23 any time between 8:00 AM and 12:00 PM.
Friday 2/24 any time between 11:00 AM and 2:00 PM.

Let me know if anything there works. If there are only times that work after 2 PM Wed-Fri, let me know and I can make arrangements to get something to work then.

Unfortunately, I won't be at the IMT tomorrow and Karen is out of town this week. Hope it is interesting!
Erin

Erin Foresman
Environmental Scientist & Policy Coordinator,
US EPA Region 9 C/O National Marine Fisheries Service Central Valley Office
